

A Greener Unley

Policy:

- Implement the Unley Tree Strategy on public land. Press the button “trees”
- Implement and achieve the targets in the Environmental Sustainability Strategy. Press “Environment” Button
- maintain our 2013 tree canopy cover across the whole of Unley o at least 26% to ensure a cool green city. Press “Environment” Button

26% canopy cover in 2013

Based on national survey

Includes public and private land

Highest canopy of any urban council without hills face zone

Which is

**Norwood Parade and
Unley Road?**

Hint.... The Norwood Payne-
ham St Peter's Council have
increased their tree cover
whilst Unley has lost 4%.
